- ◆ **Tuition payments can be made in two ways:**
 - A check or cash can be sent or dropped off in the school office.
 - You may make payment through RenWeb for tuition to be deducted from your account.
- ◆ Any payment not received in the school office by the 15th day of the month will result in a \$25 late fee added to your account. If any problems arise in meeting your payment schedule, please contact the school office to make other arrangements. We are happy to work together when extenuating circumstances arise
- ◆ Any check returned to our school office because of insufficient funds will be charged a \$15 fee.
- ◆ An early withdrawal fee for \$1,200/semester per student will be charged for withdrawal after enrollment. This amount may be adjusted if a student must leave due to a move out of the area or loss of a parent’s job or income.
- ◆ Tuition Fees will be pro-rated for students who enroll after the start of a semester.
- ◆ In the event of financial problems or questions, please contact the school office right away. Our goal is to work with you and for you.

Non-Payment of Tuition Fees

If tuition or fees are owed at the end of any grading period, report cards will not be issued, and records will not be released to any other school until full payment is received. All tuition must be paid in full during the school year. Any student with an outstanding balance will not be allowed to start classes the following year. During the school year, any student with a balance more than 45 days past due will not be allowed to attend classes and may be dismissed from FCS.
